

REMARKS

Reconsideration and allowance in view of the foregoing amendments and the following remarks are respectfully requested.

Upon entry of this Amendment, claims 39-48 will be pending in the present application. Claims 39-48 have been newly added, and claims 1-38 have been cancelled.

The title of the invention is voluntarily amended to correspond more closely to the invention recited in new claims 39-48.

The specification has been amended to expressly identify the priority claim of the present application and to correct minor informalities. These amendments correspond to those entered and approved in the parent applications.

The Abstract is amended to correct minor informalities and to correspond more closely to the invention recited in new claims 39-48. Accordingly, applicant respectfully requests that the above amendments to the abstract and specification be approved.

It is respectfully submitted that the present application is in condition for allowance and a Notice to the effect is earnestly solicited.

Respectfully submitted,

By Michael W. Haas
